Socialism and Co-operative Enterprises

The Socialism of To-Day. A Source-Book of the Present Position and Recent Development of the Socialist and Labor Parties in All Countries, Consisting Mainly of Original Documents. Edited by William English Walling, J. G. Phelps Stokes, Jessie Wallace Hughan, and Harry W. Laidler, and other Members of a Committee of the Intercollegiate Socialist Society. (New York: Henry Holt and Company. 1916. Pp. xvi, 642. \$1.60.)

The subtitle of this volume which reads, "A source-book of the present position and recent development of the socialist and labor parties in all countries, consisting mainly of original documents," is a more adequate description of the purpose and character of the book.

The first half of the book consists of a more or less exhaustive documentary narrative of the socialist movement throughout the world. The second half is devoted to a similar documentation of the programs and problems of the socialist organizations in the various countries.

In thus resorting to a documentary and statistical presentation of socialism, the authors, whether intended or not, have achieved, aside from the avowed purpose of an unbiassed and an uncritical study of socialism, the more important service of presenting the socialist movement not as a simple and unvarying article of faith adhered to by the so-called socialists and those in sympathy with them, but as a propaganda and a reform movement bearing all the marks and characteristics supplied by the varying needs and requirements of varying conditions and circumstances.

The method used for a long time and currently in academic treatments of social and economic problems has been to reduce, by analogy or otherwise, to simplest terms a conglomerate of incorrigible factors affecting those problems and thereby arriving
